

The City of Pekin Employees began collecting residential household garbage, Wednesday, September 1, 2004. Garbage containers are mandatory for garbage pickup Effective September 1, 2006.

35 and 95 gallon garbage containers are available through the City of Pekin or may be purchased at local stores. If the container is wheeled, has an attached lid, and is able to be emptied by the City of Pekin Garbage Trucks, it may be used.

Additional information may be obtained by calling the City of Pekin at 309-477-2325
